Subject: Suspect ID

Good afternoon…I'm not sure which of you could assist me so I reaching out to all of you. I am trying to identify this individual of photo attached. He is seen on a Ring video removing packages from residences in the Santa Clarita area. The suspect drove away in a grey GMC 4dr pickup truck. The license plate that was on the truck was an un-reported stolen license plate from a victim in the Bakersfield area.

I've tried facial recognition within out LA county booking system but did not get a match. Do your agency have facial recognition capabilities? The full video shows the suspect having numerous undistinguishable tattoos on both of his arms. I believe he has the name "Regina" tattooed on the inside of his right arm.

Our report number is 919-05408-0675-389. Det. Dowdy is the investigator in charge.

Thank you,
